

Cohu to Host Investor Day on November 10, 2026

October 8, 2026

SAN DIEGO--(BUSINESS WIRE)--Oct. 8, 2026-- Cohu, Inc. (NASDAQ: COHU), a global supplier of equipment and services optimizing semiconductor manufacturing yield and productivity, today announced they will host an Investor Day on Tuesday, November 10, 2026, in New York City from 9:00 a.m. to 12 p.m. Eastern Time.

Cohu's senior leadership team will provide a business update focusing on our strategy, growth platforms, financial targets and capital priorities. The event will also feature a keynote address from AMD, one of Cohu's largest customers and a global leader in high-performance and AI computing, providing investors with an industry perspective on the market forces driving demand for advanced semiconductor technology.

This event will have in-person participation by invitation only, as well as virtual attendance via webcast. Registration for the webcast is available now at <https://edge.media-server.com/mmc/p/nonvv9ce>.

An audio-video replay of the event, along with the associated presentation material will be accessible from the Cohu Investor Relations website after the conclusion of the event.

If you are a buy-side institutional investor or a sell-side equity analyst interested in attending the event in person, please contact matt.hutton@cohu.com.

Forward Looking Statements:

Certain matters discussed in this release, including statements regarding new products, strategies for expansion into adjacent markets, strategic growth financial targets and capital priorities, and customer trends are forward-looking statements that are subject to risks and uncertainties that could cause actual results to differ materially from those projected or forecasted. Such risks and uncertainties are discussed in Cohu's filings with the Securities and Exchange Commission, including the most recently filed Form 10-K and Form 10-Q. Cohu assumes no obligation to update the information in this release.

About Cohu:

Cohu (NASDAQ: COHU) was founded in 1947 and is a global technology leader supplying test, automation, inspection & metrology products, software analytics solutions and services to the semiconductor industry. Additional information can be found at www.cohu.com.
